

## WESTEEL PRODUCT BULLETIN

### Safety Warning Decal Standardization

January 21, 2019

#### Release Details:

- As we continue to integrate products from AGI divisions, standardization is a key component to ensure that all divisions resemble the AGI processes and Branding.
- Please note the location of the decals on the illustration below.
- All manuals have been updated with the warning decals listed below.
- **IMPORTANT**- Please refer to the installation manual to ensure that decals are installed as per Westeel manual and recommendations.
