

WESTEEL PRODUCT BULLETIN

Fans, Transitions, and Heaters

January 22, 2020

Details

Westeel is pleased to introduce an extended line of fans, improved transitions, and a new line of heaters for the 2020 season. Release details and ordering details are as follows:

Fans

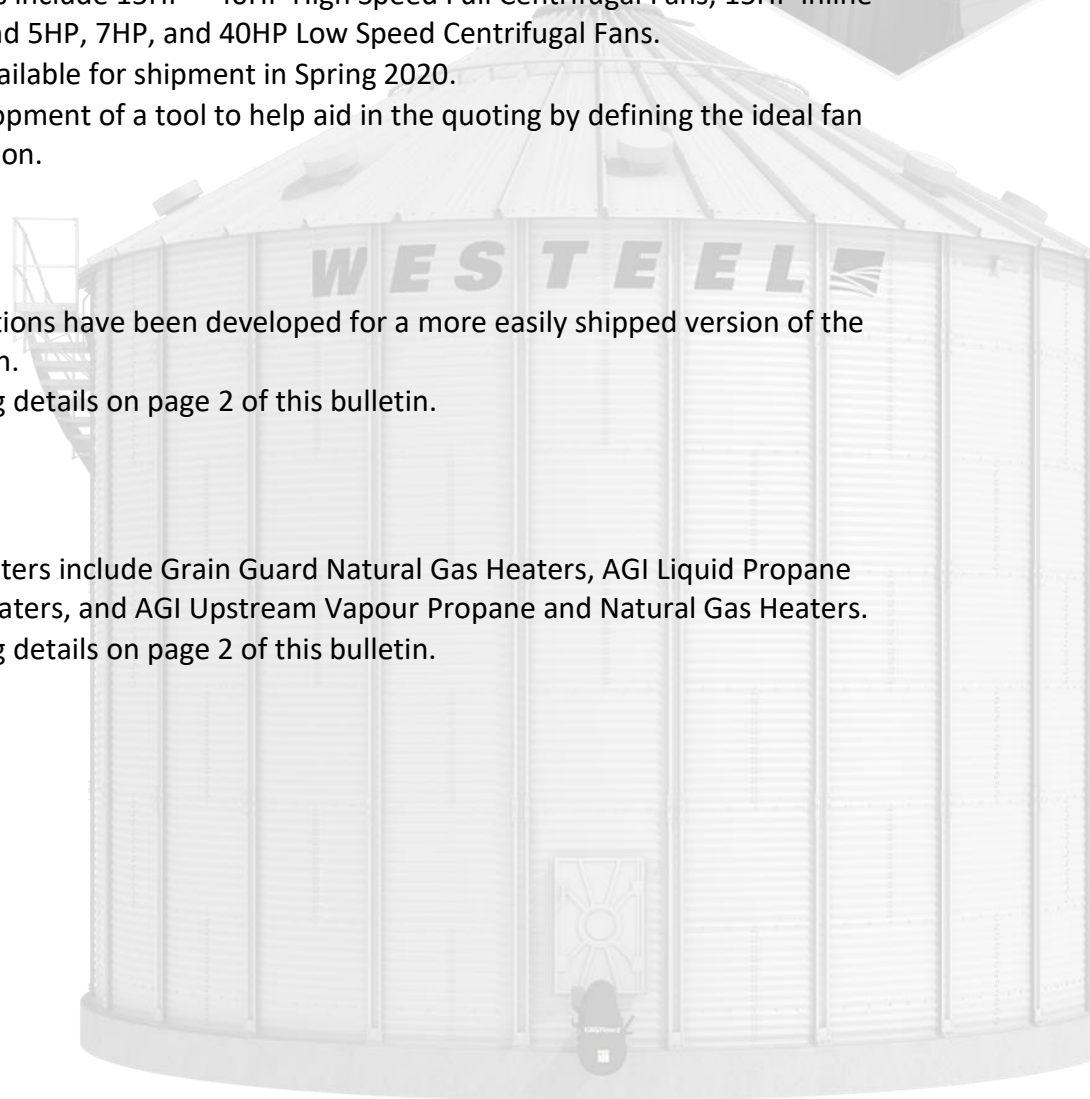

- Newly released fans include 15HP – 40HP High Speed Full Centrifugal Fans, 15HP Inline Centrifugal Fans, and 5HP, 7HP, and 40HP Low Speed Centrifugal Fans.
- New fans will be available for shipment in Spring 2020.
- Westeel is in development of a tool to help aid in the quoting by defining the ideal fan for a given application.

Transitions

- Knock-Down transitions have been developed for a more easily shipped version of the low speed transition.
- Please find ordering details on page 2 of this bulletin.

Heaters

- Newly released heaters include Grain Guard Natural Gas Heaters, AGI Liquid Propane and Natural Gas Heaters, and AGI Upstream Vapour Propane and Natural Gas Heaters.
- Please find ordering details on page 2 of this bulletin.
