UTX
U-Trough Auger
It's not an ordinary auger... it's a Westfield.

**REVERSING GEARBOX**
Comes with shifting linkage and lockout, allowing the operator to safely reverse the auger at all angles.

**COLLAPSING SPRING LOADED HOPPER EXTENSION**
Quickly and easily fit under some of your lowest and hardest to reach bin unloads and hopper bins.

**HEAVY-DUTY SELF-PROPELLED MOVER KIT WITH JOYSTICK HYDRAULIC STEERING**
The heavy-duty, self-propelled mover makes setting up at bins and moving around the yard fast and easy, so you can get the job done in less time.

**GAS MOTOR**
Choose either a Vanguard or Kohler gas motor, with a large 44-liter gas tank that lets you work as long as you need to.

**WORK LIGHTS**
LED work lights allow you to work later so you can get the job done sooner.

**TRIPLE-GROOVE ELECTRIC CLUTCH**
Start and stop the auger without shutting down the gas engine drives.

**FEATURES**
- **Wear Edge Technology™** extends the life of the flighting
- **Durable Powder Coat Paint** protects the auger finish and repels rust
- **Removeable Tow Bar** easily connects and detaches from the hitch
- **Solid Tube Guard** completely encloses the driveline
- **Square One-Bolt Flight Connections** provide improved performance through positive torque transfer for smooth operation
- **Hydraulic Winch** helps raise and lower the auger with ease and precision
- **Triple Banded Belts** maintain speed by providing better tension with less slippage
- **Sealed, grease-lubricated Top Drive** comes with forged steel sprockets and heavy-duty chain, both protected by durable cover and designed to match the auger capacity
- **Top Drive Chain Tensioner** provides better adjustment capabilities and consistent chain drive tension
- **Driveshaft and Bearings** are constructed of durable oil impregnated hardwood for long, quiet operation and can be easily replaced without disassembling the drivetrain
- **Hose Routing** provides a cleaner, sleeker look, while protecting the hoses from the elements
WESTFIELD is an AGI Brand.

AGI is a leading provider of equipment solutions for agriculture bulk commodities including seed, fertilizer, grain, and feed systems with a growing platform in providing equipment and solutions for food processing facilities. AGI has manufacturing facilities in Canada, the United States, the United Kingdom, Brazil, South Africa and Italy and distributes its products globally.
