BIOGRAPHY

KEVIN FITZHENRY

AGI plant manager at Nobleford, Alberta

Kevin Fitzhenry has served as AGI Nobleford Plant Manager for four years. He oversees the production of AGI farm aeration systems and custom storage tanks for a wide range of commercial and industrial uses.

A native of Southern Alberta, Fitzhenry has spent 25 years in the manufacturing and production environment for the ag equipment, food and livestock sectors. He and his spouse, Darci, reside in Lethbridge with their two daughters.
