BIOGRAPHY

MIKE BAKER

AGI Plant Manager, Clay Center, Kansas

Mike Baker is Plant Manager at AGI in Clay Center, Kansas, where he leads manufacturing operations with a strong emphasis on safety, operational excellence and continuous improvement. He is also an Adjunct Instructor of Industrial Engineering at the University of Illinois Urbana-Champaign. Throughout his career, Mike has held various senior roles leading organizations with budgets exceeding \$500 million and teams of more than 800 employees. A former business owner, he grew an automation company to over \$17 million in revenue and led ISO certification efforts. Mike holds a Bachelor of Science in Mechanical Engineering from the University of Illinois and is Six Sigma Green Belt certified.
